

# **Authors On Mission – Guaranteed book Sales and Reviews**

Authors On Mission stands as an unwavering pillar of support for every entrepreneur and business visionary aiming to imprint their mark in the non-fiction realm. From the intricacies of publishing and editing to the art of ghostwriting and robust marketing strategies, we provide an all-encompassing service suite. Let's decode some of the frequently posed questions about our offerings:

## **What does Authors On Mission represent?**

Authors On a Mission reviews is more than a publishing house; it's a movement dedicated to championing authors in crafting, launching, and promoting their

literary masterpieces. Since our inception in 2014, we've proudly overseen the birth and success of over 500 titles, with many gracing bestseller lists.

## **What's the review target for my book upon launch?**

At the outset, we aim to harness 10–15 reviews for your book. These initial reviews are paramount in attracting discerning readers and cementing the credibility of your work.

Do I hold all proprietary rights to my creation?

Unequivocally, yes. The copyright and all associated print and reproduction privileges remain under your purview. Your work, your rules.

## **How do Authors On Mission bolster the promotional endeavors of my book?**

Our marketing blueprint at Authors On Mission is comprehensive and goal-driven. Initiatives span from the strategic Amazon Bestseller Campaign, targeting pivotal early metrics, to personalized marketing collaterals for varied platforms. Beyond the launch phase, expect your title to resonate with its core audience and secure a firm foothold in the market, thanks to our meticulously crafted strategies. And for those seeking a bespoke marketing touch, we've got an array of specialized packages, such as podcast bookings, tailored to individual needs.

## **Is [Authors on a Mission](#) scam?**

No. At Authors On Mission, transparency and genuine service are our guiding principles. Don't take our word for it; explore the myriad success stories from our clientele who transformed their literary dreams into tangible bestsellers under our aegis.
